DCC Reporting

1. Purpose

This paper details which reports are provided by the DCC for the SEC Panel to review, as required by the Smart Energy Code (SEC).

2. Monthly Reporting

This month the following reports[i] are included with the paper:

- Appendix A* - Certificate Signing Requests Forecast Variance Panel Report – (October 2018 – Published 14/11/2018)
- Appendix B* - Post Commissioning Information Report – (October 2018 – Published 27/11/2018)

*These papers have an Amber classification and distribution is limited to the SEC Panel only.

Please note the Service Request Variance and Metrics Panel Reports for September and October were not published due to an issue with the Data Service Provider (DSP) transmission of data files and the Release 2.0 Change Freeze delaying deployment of a fix for this. They will be published with the November report in December (post the December SEC Panel paper day).

3. Recommendations

The Panel is requested to **NOTE** the contents of this paper.
