MP164 'November 2021 SEC Release supporting changes'

Conclusions Report – version 0.1

About this document

This document summarises the responses received to the Modification Report Consultation of this modification.

Summary of conclusions

Modification Report Consultation

SECAS received two responses to the Modification Report Consultation. They both believed that the modification should be approved. They considered the modification better facilitated SEC Objective (g)[1].

[1] To facilitate the efficient and transparent administration and implementation of this Code.

Modification Report Consultation responses

Summary of responses

Both respondents considered the modification better facilitated SEC Objective (g) by removing ambiguity from the impacted Technical Specifications and by making several housekeeping changes leaving the documents consistent and easier to read.
