Impact Assessment requests – September 2020

1. Purpose

This paper sets out the DCC Impact Assessment request being presented to the Change Board for approval.

2. Recommendations

This table lists our recommendation for this Modification Proposal.

Full details of the Modification Proposal, including the Preliminary Assessment response and the business requirements for Impact Assessment, can be found in the attached draft Modification Report.

Modification Proposal	Impact Assessment details	Recommendations
MP078 'Incorporation of multiple Issue Resolution Proposals into the SEC - Part 2'	This Impact Assessment will cost £118,487, and is expected to take 50 Working Days to complete	• **AGREE** that this DCC Impact Assessment should be requested

3. Points to consider

The Proposer has questioned the cost of both the Impact Assessment and the cost to implement MP078. The DCC has challenged both of these costs a number of times during the Preliminary Assessment process. The DCC has agreed to present an explanation of the costs at the Change Board meeting.
