Proposed Amendments to Clause 27.10

PROVISION OF MPAS DATA TO DCC

27.10 Each MPAS Provider shall provide the DCC with data in accordance with this Clause 27.10 or Clause 27.11 as appropriate. All the Distribution Businesses and Suppliers shall support the requirement for the DCC having access to data sourced from the MPAS Registration Systems to support the secure operation of its services. The data as set out in Clauses 27.10A, 27.10B, 27.10C and 27.10.1 and Clause 27.11 as amended from time to time, shall be provided to the DCC under the terms of this Agreement and in accordance with the relevant provisions of the Smart Energy Code. Each MPAS Provider shall:

27.10.A For the provision of initial population, provide data to the DCC in respect of all Metering Points held in its MPAS Registration System that are not Deregistered as at the date the information is extracted. This data shall be provided in accordance with the requirements set out in Schedule 13 and the relevant provisions of the Smart Energy Code. Nothing in this Clause 27.10.~~1A~~ shall preclude the provision of a data to the DCC by any MPAS Provider prior to the effective date for this provision in the event that this is required for the purposes of testing either under this Agreement or the Smart Energy Code.

27.10B Thereafter, each MPAS Provider shall notify the DCC of relevant changes in accordance with Clause 27.11 and the relevant provisions of the Smart Energy Code.

27.10C For the purposes of facilitating the application of the DCC's Charging Methodology as set out in Section K of the Smart Energy Code and with effect from calendar month October 2020, provide to the DCC the data, in respect of

each Supplier, referred to in paragraph 27.10.1 by no later than the end of each calendar month (the **relevant calendar month**).

27.10.1 The data to be provided by the MPAS Provider to the DCC in respect of each Supplier is the number of Metering Points on its MPAS Registration System that relate to Designated Premises at which on the 15th day of the relevant calendar month:

(a) the Supplier is Registered, and

(b) the supply is measured by an Advanced Meter.
