Technical Architecture and Business Architecture Sub-Committee (TABASC) Meeting 105X Headlines on 19 September 2024

The following items were discussed:

- The DCC returned to the TABASC with an update on its Future Connectivity Strategy - Evaluating 4G and Long-Range Radio (LRR) and requested support for the LRR Risk Assessment. The TABASC **AGREED**, based on the information presented, with DCC's risk assessment, however the TABASC **HIGHLIGHTED** that it is important for the DCC to note that their support is contingent upon the solution meeting the high-level requirements. The TABASC **NOTED** the update (TABASC_105X_1909_02).

There was no further business, and the Chair closed the meeting.

Next meeting date: 3 October 2024.
