## SEC Modification Progression – July 2023

### 1. Purpose

This paper sets out the modifications ready to move to the next stage of the framework, as well as our recommendations to the Change Sub-Committee (CSC) on how each should be taken forward.

### 2. Recommendations

This table lists our recommendations for each modification.

Full details of each modification can be found in the attached Modification Reports.

#### 2.1 Recommended for progression to the Report Phase

| Proposal                                                                    | Recommendations                                                                                                                                                                                                                                                                                                      |
|-----------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <a href="#">MP219 'Accessing Consumption Data on behalf of SEC Parties'</a> | <ul style="list-style-type: none"> <li><b>AGREE</b> that MP219 should be progressed to the Report Phase</li> <li><b>APPROVE</b> the Modification Report</li> <li><b>APPROVE</b> the implementation approach</li> <li><b>AGREE</b> that MP219 should be progressed as an Authority-Determined Modification</li> </ul> |
