MP320 ‘Enhanced MAP & Manufacturer DCC reporting’

Annex A

Legal text – version 0.1

About this document

This document contains the redlined changes to the SEC that would be required to deliver this Modification Proposal.

Section A ‘Definitions & Interpretations’

These changes have been redlined against Section A version 58.0.

Amend Section A1 as follows:

MAP	means Meter Asset Provider.
MAP/Manufacturer Reports	means the reports provided by the DCC under Section H17 (MAP/Manufacturer Reports).
<u>MAP & Manufacturer DCC Reporting Requirements Document</u>	<u>means the document to be established, reviewed and updated by the DCC, as further described in Section H17 (MAP / Manufacturer Data Reports).</u>
Market Participant Identifier	has the meaning given to that expression in the Retail Energy Code.

Section H ‘DCC Services’

These changes have been redlined against Section H version 33.0.

Amend Section H17 as follows:

H17. MAP / MANUFACTURER ~~DATA~~ REPORTS

~~H17.1 The DCC shall establish and periodically review, in consultation with Parties, a document (to be known as the ‘MAP & Manufacturer DCC Reporting Requirements Document’ which lists the reasonable datasets which are to constitute the Data to be reported on by the DCC, and at what cadence the reports can be requested.~~

H17.~~42~~ Subject to Section H17.~~23~~, the following entities shall be eligible to request and receive reports under this Section H17 in respect of Smart Meters: (a) the Manufacturer of the Smart Meter; and/or (b) the Meter Asset Provider of the Smart Meter.

H17.~~23~~ The DCC shall only provide reports under this Section H17 to Meter Asset Providers and Manufacturers which are either: (a) a Party; or (b) party to an agreement in the form of the Specimen Enabling Services Agreement.

H17.~~34~~ In order to receive reports in respect of a particular Smart Meter, the entity requesting the report will need to provide reasonable evidence to the DCC that such entity is the Manufacturer or Meter Asset Provider of the Smart Meter. The DCC shall not provide reports to an entity unless the DCC has obtained such reasonable evidence of such entity's status as Manufacturer or Meter Asset Provider.

~~H17.4 Reports under this Section H17 can be requested quarterly, monthly or on an ad hoc basis (but not more than once each month). The DCC shall provide the reports in accordance with such requests.~~

~~H17.5 Each report under this Section H17 will set out (as a minimum) for each and every Smart Meter for which the recipient is the Manufacturer or Meter Asset Provider:~~

- ~~(a) Smart Meter ID or Global Unique Identifier (GUID);~~
- ~~(b) Smart Meter Type, Smart Meter Model and Manufacturer;~~
- ~~(c) firmware version;~~
- ~~(d) SMI Status;~~
- ~~(e) Region;~~
- ~~(f) the Registered Supplier(s) and its/their effective from date(s); and~~
- ~~(g) Communications Hub make, model and firmware version.~~

H17.~~65~~ The DCC shall provide reports under this Section H17 via its preferred file sharing platform, and shall mark them as confidential and not to be shared with any third party apart from the Registered Supplier Party.

H17.~~76~~ Each entity which obtains one or more reports pursuant to this Section H17 undertakes to:

- (a) only use the data contained in those reports for its internal business purposes;
- (b) not sell or commercially exploit the data contained in those reports; and

(c) keep the data contained in those reports confidential in accordance with Section M4 (Confidentiality).
