MP183 ‘Post Commissioning Obligations Reporting’ Conclusions Report – version 1.0

About this document

This document summarises the responses received to the Modification Report Consultation and the decision of the Change Board regarding approval or rejection of this modification.

Summary of conclusions

Change Board

The Change Board voted to **approve** MP183. It believed the modification better facilitated SEC Objectives (a)¹ and (b)².

Modification Report Consultation

SECAS received four responses to the Modification Report Consultation. All respondents believed that the modification should be approved. They considered the modification better facilitated SEC Objectives (a) and (b).

¹ Facilitate the efficient provision, installation, and operation, as well as interoperability, of Smart Metering Systems at Energy Consumers' premises within Great Britain.

² Enable the DCC to comply at all times with the General Objectives of the DCC (as defined in the DCC Licence), and to efficiently discharge the other obligations imposed upon it by the DCC Licence.

Views against the General SEC Objectives

Objective (a)

The Change Board believed that MP183 will better facilitate SEC Objective (a) as it will provide greater and more accurate detail to DCC Users of Devices which have failed Post Commissioning and the reasons for failure.

Objective (b)

The Change Board believed that MP183 will better facilitate SEC Objective (b) by improving the accuracy of the DCC's Post Commissioning Obligations reporting to its Users and industry.

Change Board discussions

The Change Board had no further comments on the modification.
