MP245 ‘SMKI Document Set Changes 2023’

Conclusions Report – version 0.1

About this document

This document summarises the responses received to the Modification Report Consultation regarding approval or rejection of this modification.

Summary of conclusions

Modification Report Consultation

SECAS received three responses to the Modification Report Consultation. All respondents believed that the modification should be approved. They considered the modification better facilitated SEC Objective (g)¹.

¹ To facilitate the efficient and transparent administration and implementation of this Code.

Modification Report Consultation responses

Summary of responses

Three Parties responded to the Modification Report Consultation, supporting the approval of the modification. One respondent (Large Supplier) noted the need to align the information shown in the SMKI Document Set. Another respondent (Network Party) believed that all parties will indirectly benefit from the greater clarity and transparency from updating the documents in line with the current procedures.
