2. Summary of the proposal

What is the issue?

Ofgem have requested all Code Administrators prepare the Modifications and legal text changes needed in case the UK leaves the EU in a 'No Deal' scenario.

What is the Proposed Solution?

SECAS identified the references to the EU that will need to be removed from the SEC when the UK leaves the EU. This applies if there is 'No Deal' but also in future if exit day is delayed or agreed for a future date following a Transitional Period as part of any Withdrawal Agreement negotiated by the UK government.

Will I be impacted?

There is expected to be no Impact on SEC Parties.
