

Annex F

Direction and re-designation

This direction is made for the purposes of the smart meter communication licences granted to Smart DCC Ltd (the “**DCC**”) under the Electricity Act 1989 and the Gas Act 1986 (the “**DCC Licence**”) and the Smart Energy Code designated by the Secretary of State pursuant to the DCC Licence (the “**SEC**”).

Words and expressions used in this direction shall be interpreted in accordance with Section A (Definitions and Interpretation) of the SEC.

Re-designation of SEC Subsidiary Document

Pursuant to Condition 22 of the DCC Licence and Section X5 (Incorporation of Certain Documents into this Code) of the SEC, the Secretary of State hereby directs that, with effect from **[Date]**, the CPL Requirements Document previously designated and incorporated into the SEC as Appendix Z is hereby re-designated for incorporation in the form set out at Annex **[TBC]** to this direction.

For the avoidance of doubt such re-designation shall be without prejudice to anything done under the DCC Licence or the SEC on or after the CPL Requirements Document first being designated, or to the continuing effectiveness of anything done under the CPL Requirements Document prior to this re-designation (which shall have effect as if done under the re-designated CPL Requirements Document).

This direction is also being notified to the SEC Administrator.
