### Views against the General SEC Objectives

#### Objective (a)<sup>1</sup>

The Change Board believes that MP081 will better facilitate SEC Objective (a)<sup>1</sup> as the SEC should reflect what is occurring in practice and allow SEC Parties to fully understand what is occurring. It is also believed that this will aid in the efficient operation and interoperability of Smart Metering Systems.

<sup>1</sup> Facilitate the efficient provision, installation, operation and interoperability of smart metering systems at energy consumers' premises within Great Britain

## Comments and discussions

---

### Consultation responses

Two Modification Report Consultation responses were received from Large Suppliers. Both agreed that this modification should be approved as it better facilitates SEC Objective (a)<sup>1</sup> for the reasons above, and one respondent felt it may also better facilitate Objective (g)<sup>2</sup>.

### Change Board discussions

The Change Board had no additional comments on MP081.
