MP086 ‘Alt HAN Roll-Out Financing’ Change Board vote

About this document

This document summarises the discussions of the Change Board on MP086 and the outcome of the vote.

This vote forms a decision on MP086 under Self-Governance.

Change Board vote

Change Board decision

The Change Board voted to **approve** MP086 under Self-Governance.

The vote breakdown is summarised below.

Change Board vote				
Party Category	Approve	Reject	Abstain	Outcome
Large Suppliers	6	0	0	Approve
Small Suppliers	1	0	0	Approve
Network Parties	2	0	1	Approve
Other SEC Parties	2	0	0	Approve
Consumer Representative	0	0	0	-
Overall outcome:				APPROVE

One Network Party member abstained from the vote. Their rationale was that Alt HAN costs would only be incurred by Suppliers and so wouldn't affect them.

The Consumer Representative was absent from the vote.

Views against the General SEC Objectives

Objective (h)¹

The Change Board believes that MP086 will better facilitate SEC Objective (h) by this change enabling Alt HAN to be able to be financed more effectively and efficiently than under the current arrangements.

¹ Facilitate the establishment and operation of the Alt-HAN Arrangements.

Comments and discussions

Consultation responses

Four responses to the consultation were received, consisting of three Large Suppliers and the DCC. All three of the Large Suppliers wanted to approve the Modification Proposal, stating the benefits to them with the new Alt HAN arrangements. They all unanimously believed it would better facilitate SEC Objective (h). The DCC responded positively to the consultation as well, recommending approval and that it better facilitates SEC Objective (h).

Change Board discussions

No comments were raised over MP086 by members at the Change Board meeting.
