

# MP080 ‘Managing DUIS uplifts’

## Annex A

### Business requirements – version 0.1

#### About this document

---

This document contains the business requirements for this Modification Proposal. It provides detailed information on the business requirements for the Proposed Solution agreed by the Proposer with input from the Data Communications Company (DCC) and Sub-Committees. It also provides the considerations and assumptions for each business requirement with respect to this Modification Proposal.

# 1. Business requirements

---

This section contains the functional business requirements. Based on these requirements a full solution will be developed.

Business Requirements	
Ref.	Requirement
1	DUIS will be placed into the TSAT document under the SEC
2	End dates for DUIS versions within TSAT will be set as part of a relevant modification after consultation
3	The end dates for DUIS v1.0 and v2.0 (i.e. when they will stop being supported) will be 26 November 2020
4	The end dates for DUIS v3.0 and v3.1 will become TBC on implementation of MP080
5	Any further changes to DUISv3.0 or v3.1 end dates will require a separate Modification
