Joint SEC/SMDA consultation for DP111

1. Purpose

SECAS and the Smart Metering Device Assurance (SMDA) Scheme have prepared a joint consultation to seek the views of Parties on the issues raised under SEC Draft Proposal [DP111 'SMDA Budget Amendments'](#). A copy of this can be found in Appendix A.

We are seeking the Panel's approval for this consultation to be issued for a 10 Working Day consultation.

2. Recommendations

The Panel is invited to **APPROVE** the consultation for issue.
