Draft Proposals Report – September 2020

1. Purpose

This paper sets out the progress with all open Draft Proposals and our recommendations to the Change Sub-Committee (CSC) on how each should be taken forward.

2. Recommendations

This table lists our recommendations for each Draft Proposal.

Full details of each Draft Proposal can be found in the attached draft Modification Reports.

| Draft Proposal | Update | Recommendations |
|--|---|--|
| DP096 'DNO Power Outage Alerts' | We are still examining the problem with the Proposer. The DCC has provided a technical paper outlining current performance and potential for enhancement. The DNOs will respond to this in October. | <ul style="list-style-type: none"> AGREE further development is required to define and understand the issue |
| DP126 'Smart meter consumer data access and control' | We are still examining the problem with the Proposer. The Proposer has clarified this issue is around futureproofing in advance of Half Hourly Settlement and random privacy sampling. | <ul style="list-style-type: none"> AGREE further development is required to define and understand the issue |
| DP136 'Enduring ICHIS Compliance Related to RF' | We believe this Draft Proposal should be withdrawn as the ICHIS document is not a SEC document and therefore the issue cannot be resolved with a modification. | <ul style="list-style-type: none"> AGREE to recommend to the Proposer that this Draft Proposal should be withdrawn |

| Draft Proposal | Update | Recommendations |
|--|--|--|
| DP141 'SRV Visibility for Devices on SSI' | We believe this is now ready to be converted to a Modification Proposal. | <ul style="list-style-type: none"> AGREE this Draft Proposal is ready to be converted to a Modification Proposal RECOMMEND to the Panel that the Modification Proposal should proceed to the Refinement Process |
| DP142 'Clarification to the MMC' | We believe this is now ready to be converted to a Modification Proposal. | <ul style="list-style-type: none"> AGREE this Draft Proposal is ready to be converted to a Modification Proposal RECOMMEND to the Panel that the Modification Proposal should proceed as a Fast Track Modification |
| DP143 'Incorporating IRPs into GBCS v3 series' | We believe this is now ready to be converted to a Modification Proposal. | <ul style="list-style-type: none"> AGREE this Draft Proposal is ready to be converted to a Modification Proposal RECOMMEND to the Panel that the Modification Proposal should proceed to the Refinement Process |
