MP164 'November 2021 SEC Release supporting changes'
Conclusions Report – version 1.0

About this document

This document summarises the responses received to the Modification Report Consultation and the decision of the Change Board regarding approval or rejection of this modification.

Summary of conclusions

Change Board

The Change Board voted to approve MP164 under Self-Governance. It believed the modification better facilitated SEC Objective (g)[1].

Modification Report Consultation

SECAS received two responses to the Modification Report Consultation. They both believed that the modification should be approved. They considered the modification better facilitated SEC Objective (g).

---

[1] To facilitate the efficient and transparent administration and implementation of this Code.

Modification Report Consultation responses

Summary of responses

Both respondents considered the modification better facilitated SEC Objective (g) by removing ambiguity from the impacted Technical Specifications and by making several housekeeping changes leaving the documents consistent and easier to read.

Change Board vote

Change Board vote

The Change Board voted to **approve** MP164 under Self-Governance.

The vote breakdown is summarised below:

Change Board vote				
Party Category	**Approve**	**Reject**	**Abstain**	**Outcome**
Large Suppliers	5	0	0	**Approve**
Small Suppliers	2	0	0	**Approve**
Network Parties	3	0	0	**Approve**
Other SEC Parties	3	0	0	**Approve**
Consumer Representative	1	0	0	**Approve**
			Overall outcome:	**APPROVE**

Views against the General SEC Objectives

Objective (g)

The Change Board believe that MP164 will better facilitate SEC Objective (g). This is due to aligning the impacted SEC Technical Specifications to the DCC design for the SECMP0007 'Firmware updates to IHDs and PPMIDs' Proposed Solution.

In addition, they agreed this proposal will remove ambiguity from the impacted Technical Specifications and make several housekeeping changes leaving the documents consistent and easier to read.

Change Board discussions

The Change Board has no further comments on the modification.
