MP143 ‘Incorporating IRPs into GBCS v3 series’

Modification Report Consultation responses

About this document

This document contains the full collated responses received to the MP143 Modification Report Consultation.

Summary of responses

Question 1: Do you believe that MP143 should be approved?

Question 1			
Respondent	Category	Response	Rationale
EDF Energy	Large Supplier	Approve	EDF agrees with the content and rationale for including MP143 in the earliest GBCS maintenance release to v3.3. The identified IRPs are required to ensure that older meters that are not able to update to GBCS v4.x will remain CPA compliant, and so avoid needless removal of these assets from the field.

Question 2: Please provide any further comments you may have

Question 2		
Respondent	Category	Comments
EDF Energy	Large Supplier	None
