#### Overview

The Smart Energy Code Administrator and Secretariat (SECAS) provided an overview of the issue, solution, discussions at the April 2023 Working Group and drafted legal text.

## Legal Text

- Amendments to Appendix AD ‘DCC User Interface Specification’ (DUIS)
  - Clause 3.8.111
  - Clause 3.8.112

Response Code	Response Code Description
E080801	<del>According to the DCC Systems Smart Metering Inventory the ‘Other Device’ is not joined to the BusinessTargetID Device</del> This Response Code is not used. The DCC Systems Smart Meter Inventory is no longer checked for the join status of the ‘Other Device’

## Implementation

- June 2024 SEC Release (subject to decision by 27 September 2023)

## Working Group Discussion

SECAS (EW) provided an overview of the issue, solution, discussions at the April 2023 Working Group and drafted legal text.

SECAS (EW) asked the Working Group if the drafted legal text was suitable and if there’s any issues with it. A Working Group member (JB) noted the legal text was agreeable and no further comments by Working Group members.

Working Group members agreed that MP178 is ready to progress to the Report Phase.

## Next Steps

The following actions were recorded from the meeting:

- SECAS to present the modification to the Change Sub-Committee under the recommendation that it proceeds to the Report Phase.
