TABASC Activity Planner

1. Purpose

In order for the Technical Architecture and Business Architecture Sub-Committee (TABASC) to manage their duties, time, and required expert support, the Activity Planner has been provided for discussion and comment.

The updated TABASC Activity Planner is provided in Appendix A as a supporting document to this paper for the TABASC to review.

2. Anticipated Updates

An update on project budgets is being provided to the Panel on 9 November, which is likely to impact the detail within the TABASC Activity Planner. An update will be provided following Panel discussions.

3. Recommendations

The TABASC is requested to:

- **NOTE** the contents of the paper and Appendix A; and
- **NOTE** that a further update will be provided following the Panel meeting.
